

Name: Adithya Godavarthi

Panther id: 002909080

Codd link: <https://codd.cs.gsu.edu/~agodavarthi1/CW/CW3/index.html>

The screenshot shows a web browser window with the URL `codd.cs.gsu.edu/~agodavarthi1/CW/CW3/index.html`. The page has a dark blue header with the title "Coursework 03" in yellow. Below the header, a navigation menu includes links for Home, Exercise 1, Exercise 2, Exercise 3, Exercise 4, Exercise 5, Under Grad Q&A, Grad Q&A, and Screenshots. The main content area has a light blue background. The "Home" section is highlighted with a yellow border and contains a paragraph explaining the page's purpose. Below it, the "Exercise 1: External Style Sheet" section is also highlighted with a yellow border and contains a paragraph about changing text color.

Coursework 03

Course/section: CSC 4370/6370 – Web Development · Date: September 27, 2026

Home

This page contains my answers for Coursework 03: five CSS exercises, the Critical Thinking Lab, and two screenshots. Use the menu above to jump between sections. Buttons marked "View" open a popup.

Exercise 1: External Style Sheet

Changing text color to dark red using external CSS

This paragraph demonstrates the dark red text color applied via external CSS.

External CSS file (styles.css)

The screenshot shows the same web browser window, but now the "Exercise 4: External Stylesheet" and "Exercise 5: School Website Design" sections are visible. Exercise 4 includes a code snippet for linking an external CSS file. Exercise 5 includes a "Weekly Timetable" table showing a schedule for Monday through Friday.

Exercise 4: External Stylesheet

[Open the separate song page.](#) Its head links the included external `lyrics.css`:

```
<link rel="stylesheet" href="lyrics.css">
```

This separates lyrics content from presentation while allowing the same styles to be reused.

Exercise 5: School Website Design

Weekly Timetable

Time	Mon	Tue	Wed	Thu	Fri
9:00	◆ CS Seminar	■ CS Lab	▲ Adv Prog	● Python	■ CS Lab
